FarrowWrap® Knee High OTS and Custom Order Form

This field indicates a measurement necessary to fit a patient for an OTS (off-the-shelf) component. If the patient will not fit into an OTS component, then the additional measurements are required for a custom component. Mark the number of components desired, OTS or custom, in the appropriate field. You may mix and match custom with OTS (i.e. OTS footpiece & custom legpiece.) If you know what size OTS garment you want, it is not necessary to fill in the measurements.

Please note that "_" in the SKU below (i.e. FW_-O-LR) stands for either "CL" for Classic, "LT" for LITE, "ST" for STRONG or "BA" for BASIC. The SKU's may then be cross-referenced with our price sheet to obtain the garment price.
