**Left or Right must be selected in the “Options” box.
Liners will not be issued with this garment.**

If no color is selected, Tan is the default option.

Directions for the Off-The-Shelf Arm

For length, measure from the outside flexor surface of the wrist to the axilla with a slight bend in the arm. Measure circumference at the wrist, elbow crease and axilla. Compare measurements to the size chart to determine correct size. All circumference measurements must correspond to one off-the-shelf size in order for the garment to fit. This garment can be donned and doffed with one hand. **Liners will not be issued with this garment. The OTS Arm is available in LITE fabric only.**
